Dear Member,

## KDGC EA Draft For Approval

Voting is now underway on your new agreement. Casting your vote is easy and quick – you'll find details for where to vote on the notice board.

I would like to take this opportunity to acknowledge the hard work and unity displayed by members, who together achieved this important milestone. Welcome to the many new members who joined during the course of the bargaining campaign, they came together with longer term members to show that unity really is strength.

Make sure you take some time to vote – it's critical – we have seen examples where an agreement is otherwise acceptable, but because people don't take the time to vote it goes down and important wage increases are unnecessarily delayed.

Thanks again, let's see the approval process through and look forward to the work ahead implementing the agreement when it's in place.

Unity is Strength
