Dear Member,

Bus E-News: Riverfire Mobile Meal Room Trial

Riverfire is on again this Saturday providing plenty of extra work for members. This is one of our bigger special events of the year.

To meet the extra demand Brisbane Transport is intending to trial two mobile meal rooms, located at the Gabba.

These facilities will be on trial for special event work and drivers will be the jury.

We call on our members to scrutinise these meal rooms thoroughly and relay your views back to your union. We will meet with BT at a later date for a proper appraisal of these meal rooms.

I hope all those who want to work Riverfire have got a shift.

Unity is Strength

Secretary, Tram and Bus Division
