Dear Member,

Bus E-News: Important Driver Safety Survey

Following on from the tragedy which claimed the life of Manmeet Sharma, the Queensland Government through Transport Minister Sterling Hinchliffe, has accelerated the inquiry into driver safety.

We have been pushing this enquiry for some time as assaults on our members have been an issue for far too long. We need to find a way to make assaults a part of history, not part of a day's work.

The RTBU has been participating in the review and it has now come to a point where members' views are being sought.

The survey is being conducted by Deloitte who have been contracted by the Qld Government to undertake research to help identify measures which will prevent violence against Bus Drivers.

The survey can be found at https://deloitteau.au1.qualtrics.com/SE/?SID=SV_b1Jnov5gRHMbDKZ

We encourage all members to participate – it's a quick survey but the time is limited.

You need to complete the survey before Monday the 12th of December.
