Dear Member,

## Growing Protest: Waterside Workers Sacked via Text/Email

On 6 August, Hutchison Ports sacked 97 of its workers by text, 41 from its Port of Brisbane Terminal.

Their union the MUA has set up a community assembly outside the gates to mount pressure on Hutchison and get justice for its members. All are welcome to show support.

The RTBU has been asked to help out and we have been there all this week and will stay as long as it takes. We have been asked to help fill the noon – 6pm time slot. Any member able to go to the Fisherman Island Terminal to support this just cause should contact their Organiser, Bennett Roche on 0419 769 130.

Sacking workers by text/email message is not the Australian way; join the growing group of protesters at 11 Curlew Street, Port of Brisbane.

Follow and promote the campaign on Facebook (Hutchinson Ports – Stop Union Busting).

Unity is Strength
